

Cedar Valley United Way 100% Employee Giving Recognition Criteria

A business/organization will be recognized as having 100% employee giving during their United Way employee giving campaign efforts if the following criteria are met:

- 100% of the employees must contribute financially to the United Way campaign
- The average employee gift for the business/organization must be equal to or greater than \$52.00 per employee per campaign year

***Cedar Valley United Way will only recognize overall businesses/organizations for 100% employee giving efforts. No individual departments within a business/organization will be recognized.**
